

**CHAPTER MEMBERSHIP APPLICATION**

Membership in the Richmond Chapter is available to ISCEBS members and also to those who have not yet earned their CEBS designation. Perhaps you want to learn more about the organization before you join the Society, or perhaps you are a college student who wants to learn more about the benefits profession. If you have attained the CEBS designation, you may not join the chapter only, but would have to join ISCEBS as well as the chapter. If you are an ISCEBS member, you should pay your chapter dues when you join or renew ISCEBS. If you are joining the Richmond Chapter only, please submit your payment by PayPal (see below) or mail your payment and application form to the address shown below.
