President's Message

Greetings Richmond Chapter! We are excited for 2019 and are off to a great start. First, I want to thank our returning Board members, Kim Csan, Caroline Sage, Sarah Faulkner and Nick Ciccolo for their service and welcome new Board member Peter Thompson (VRS), we are grateful he stepped up to join us! I also want to thank past president Sharon Jahn for her support and leadership. I would be remiss if I did not also profusely thank Craig Rupert for his tireless work to maintain our chapter website, without him we would be lost. The Richmond ISCEBS Chapter wouldn't be possible without their dedication and ongoing commitment. Our goal is to provide meaningful and relevant topics for each of our events so please reach out to any of us if there are specific topics that you would like to see at an event.

We had a great first session of 2019 on April 11. We had Jacob Loker and Cassie Rodeffer from Marketplace Insurance Agency/Eldercare Associates join us for an informative presentation on the ever changing world of Medicare. This topic is continually requested from our membership and it is always helpful to have experts speak with our group.

We moved our Chapter Social to May a few years ago and it has been very well received so we will continue with a spring date for 2019. We hope you will join us, Benefit Nerds, May 16 at Tang and Biscuit for an evening of networking, games and socialization. We welcome your suggestions and feedback for other future locations.

We have also finalized our speakers for our June session. Mike Greer from CIGNA, Tina Stevens from VML, Amanda Weaver from Williams Mullen and Ken Jeffries from Mercer will be providing insight on a variety of topics. Mark your calendars now for June 13!

We are grateful for our membership and support. We look forward to seeing you soon at an educational event and our social.

Sincerely,

Hillary C. Keeton CEBS (aka 2019 Benefit Nerd Leader)
